Bio

With cumulative winning of over USD 20 million for clients on both sides of the versus, Victor is consistently called upon to advise and represent both corporate and private clients on their most important and pressing issues.

For the last 8 years, Victor has helped clients successfully navigate complex, high stakes matters in diverse areas of law including anti-bribery and corruption , aviation, child custody and maintenance, employment, corporate and commercial disputes, debt recovery and insolvency. Notably, Victor also supports clients in the handling and co-ordination of cross border disputes.

EXPERIENCE INCLUDE

Co-ordinating the East African litigation strategy of a global brewing company against a USD 15 billion (1.8 trillion) plus claim in Tanzania and Uganda.

Successfully defended a USD 2 million (KES 240 million) recovery application against an oil exploration company.

Successfully obtained a KES 245 million (USD 2.1 million) summary judgment in a favour of a global advertising giant.

Successfully defended a leading insurance company against a USD 2 million claim and had the matter struck out in the preliminary stage.

Successfully advised and acted for a global engineering company concerning a tender dispute about a KES 120 million (USD 1 million) on-demand guarantee.
