## Bio

---

With winnings of over USD 20 million for his clients including a member of a royal family, Victor is consistently called upon to advise both Kenyan and international clients on high stakes complex disputes including cross border matters, he is currently supporting an international client with a dispute valued at over USD 15B spanning 3 countries in East Africa

His practice is broad spanning diverse areas of law including anti-bribery and corruption, aviation, employment, energy, and natural resources, family and succession, intellectual property, insurance, and commercial disputes.

Clients praise Victor for his responsiveness, availability on demand, practical approach to disputes, and strong business acumen.

## EXPERIENCE INCLUDE

---

Coordinating the East African litigation strategy of a Dutch brewing company against a USD 15 billion claim in Tanzania and Uganda.

Successfully obtained a USD 2.5 million summary judgment in a favour of Scanad Kenya Limited a subsidiary of global advertising giant WPP Scanad.

Successfully defended a leading insurance company against a USD 2 million claim and had the matter struck out in the preliminary stage.

Successfully advising and acting for China Civil Engineering Construction Company concerning a tender dispute about a USD 1.2 million on-demand guarantee. We also successfully quashed an attempt by Capitaland to challenge the Judgment delivered in the matter in 2020

Successfully obtained a USD 510,000 summary judgment in favour of a member of a royal family in a matter involving complex security arrangements.
